REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

Applicant claims, among other things, an ignition controller for a barbecue grill including a pressure controller having a housing with a first inlet and a first outlet, wherein a gas flows into the housing via the first inlet and out of the housing via the first outlet, and an ignition adjustor having a housing with a second inlet and a second outlet and an adjusting assembly, wherein the second outlet is connected to the second inlet and the second inlet is connected to the first outlet of the pressure controller and the adjusting assembly is movably mounted to the housing to adjust the gas flow rate in the second outlet, wherein the ignition controller is mounted on the barbecue grill with the first inlet connected to a gas supply and the second outlet connected to a burner member whereby the gas flow has a stable pressure and the gas flow rate is precisely adjusted.

The prior art of record, taken alone or in combination therewith, does not disclose nor make obvious the combination as claimed by applicant.

Art Unit: 3749

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
